

We learn and pray, in faith and love

22.7.2022

Dear families of St. Kentigern's,

Another academic year has flown by and I think we are all looking forward to the summer break. Our school team have thoroughly enjoyed working with you and your children this year. Thank you for the many gifts, cards and kind words you have shared with us. As you know, we feel that St. Kentigern's is the best school in the world, with the best staff and the best children so your words of appreciation mean so much to us all. Thank you!

Well done, Isaac!

We are all hugely proud of Isaac who has been selected for Manchester District U11s cricket team. This is a fantastic achievement; we look forward to hearing of his sporting achievements in the future.

Free School Meal summer funding

You might be aware that funding for free school meals has been changed by the Government. Vouchers will be issued as a one- off payment to those families who previously qualified. Please note, the amount allocated is considerably less. This is not school's decision, it is the specified amount awarded from the Government.

Goodbye and Good Luck to Year 6!

Many tears have been shed this week as we say goodbye to our wonderful Year 6 children. Their performance in The Lion King was exceptional. It was wonderful to be able to gather in church to acknowledge their many achievements and to join in prayer, asking for God's blessing for their futures. We wish all the children every success and happiness in their new school. Photos and videos will be available until the 10th August on Seesaw.

Uniform Policy

As we approach the end of the school year, I thought it would be helpful for you to review the school's uniform policy in readiness for September. Please click on the link below which will take you to our webpage:

We received the following information from CAFOD:

On behalf of CAFOD I would like to extend a huge thank you to you, your pupils, staff and families for the support we have received from across the diocese this year. Below is a link to our thank you video.

Seesaw

As you know, Seesaw has been hugely successful for the setting of homework and for sharing information with the children and their families. I thought you might be interested in the recent statistical information for this year.

Goodbye and thank you, Mrs Fox

Mrs Fox has been an outstanding member of our school team. She has helped to ensure that the children she has taught have thrived academically and have developed a love for learning. Mrs Fox has always been driven by a love for the children she has taught and her desire to ensure that they have reached their potential. The whole staff team will miss Mrs Fox greatly and we wish her well in her future endeavours. Thank you, Mrs Fox!
