Parent Governor is to work with Foundation Governors in order to best support the school. The role means that you are a parent representative however, it is not a forum for raising individual parental concerns. This, as you know, is managed through a different process. If you have any queries regarding this, please do not hesitate to contact me.

Hot Days

Year 6 visit London

Year 3 visited Tatton Park for a Viking Experience day. They thoroughly enjoyed seeing how Vikings would have lived their lives.

A Message from Fr. Michael

Hello and I hope everyone is well and that we are all caring for one another. I'm sure everyone is enjoying the great weather, it's a glorious day that easily brings a smile to so many faces and that is when we really are at our best, facing the world with a smile. Today is the feast of "The most Sacred Heart of Jesus," the very reason why we dedicate the month of June to the Sacred Heart. This is a time to give special thought and praise to the Love and

compassion shown to us all by God. Through the example of our Lord Jesus, let us share these gifts of love and compassion in our school, home and world. Let us offer our love and compassion in prayer for those in our world who are suffering one way or another today. Have a wonderful weekend. Remember the sunscreen. St Kentigern, pray for us.

With continued best wishes,
