Dinner Money

As you are aware, the cost of food has gone up incredibly recently. This, in combination with an increase in other costs, has meant that we will have to raise the price of school meals in September. The new costings are as follows:

£2.55 per day. £12.75 a week.

As you will no doubt be aware, all school dinners are cooked freshly in our school kitchen each day and we use good quality products to ensure that our children receive the best nutrition possible. If you would like your child to receive a school meal in September, please contact the school office who will be happy to help you.

Right of the Week

A Message from Fr. Michael

Hello and I hope everyone is well and that we are all being kind to each other. As we race into the summer, and the month of July, we are fast approaching the end of the school year. Yet before the end of term let us celebrate with the rest of our country the 75 years of the National Health Service (NHS). What a fantastic institution this is, that we must be so proud of and do all we can to preserve and support and save. All the wonderful help it gives to those in need, in their time of suffering, is so important. All those skilled staff on every level who do so much to care for those in their care. Those Doctors and Nurses and carers of tomorrow, who are in our school today, learning and thinking about how we care for each other, will find their vocation in the NHS firmly established by all we can do today to save this great institution!

So, congratulations NHS! Happy birthday and keep up the great work. We must keep everyone involved in our prayers. Have a wonderful weekend. St Kentigern, pray for us.

With continued best wishes,

Madeine Muldoon
