## Right of the week

Article 25 Review of a child's placement.

Every child who has been placed somewhere away from home - for their care, protection or health - should have their situation checked regularly to see if everything is going well and if this is still the best place for the child to be.

## Eco Team visit to Sharston Recycling Centre

This week, the eco club visited the Sharston Recycling Centre for a special tour. They got to see how mixed recycling bins were sorted in the facility so they can be recycled correctly. They were also filmed for a message to send out across Greater Manchester to promote recycling to combat climate change.

## Caritas in Action Award

This week, our Caritas in Action Award has been given to An for showing great resilience and wonderful kindness. This is a wonderful way of demonstrating the Catholic Social Teaching principle of Family and Community.

### A Message from Fr. Michael

Hello and welcome back after the Easter vacation. I hope everyone had a lovely Easter! Saying that, it is still Easter. As you know, we celebrate Easter for fifty days which takes us to Pentecost. We are now in the early days of Easter. In school and in church our prayer and our decorations are all about celebrating the resurrection of Our Lord Jesus and these first days of the summer term lead us to plan for the children's first Holy Communion! So welcome back St Kentigern's school family, to our wonderful school, and all that we say and do. Have a brilliant weekend. St Kentigern, pray for us.

With continued best wishes,

*Madeine Muldoon*
